STRIVING FOR EXCELLENCE

SCHEDULE OF VOLUNTARY SCHOOL CONTRIBUTIONS AND CHARGES 2027

Dear Parents/Caregivers

Financial support provided by families through voluntary contributions and charges play a critical role in maintaining quality teaching and learning programs and enabling the provision of an enriched curriculum and enhanced learning experiences for students.

Parents, who contribute financially to the school through the voluntary contributions, assist in the maintenance of educational resources at a level needed to meet children's needs in a constantly changing educational environment. Key areas such as literacy, numeracy, science and information technology are enhanced through the voluntary contributions.

Swanbourne Primary School Board has endorsed the following schedule of Voluntary Contributions and Charges for 2027 which will enable families to budget for all expenses throughout 2027. We hope all families see the importance of paying the contribution and supporting our student learning programs in 2027.
